LABRADOR

Transparency by design

About Labrador

Labrador exists to offer the science of transparency to corporations wishing to communicate effectively with their readers.

Our experienced and passionate team is composed of attorneys, designers, project managers, thinkers and web developers. We collaborate together around a process that encompasses drafting, editing, designing and publishing across all digital and print channels.

We are thrilled that communications prepared by Labrador have contributed to trustful relationships between our clients and their readers, whether investors, employees or other stakeholders.

In turn, our commitment to our clients has resulted in meaningful long-term relationships with some of the most respected public and private companies in the world.
